The Exhibition was inaugurated by Shri. Kalraj Mishra - Hon'ble Minister for Micro Small & Medium Enterprises- Govt. of India. Dr Kumar- CMD of NSIC was the Guest of Honors amidst several top Executives of the Industry.

Welcoming the gathering the Hon. Minister appreciated the efforts of the Organisers in giving a start to AMTEX from 2001 and such shows help the manufacturing and tooling sectors in the country. He reiterated the fact that the Indian Machine Tool sector stands 13th in production and 6th in consumption of Machine tools. Exhibitions of such nature encourage the Indian manufacturers to do better exhibit their achievements and break-throughs and staying ahead of the updated technologies thus achieving the vision of becoming a manufacturing hub.

The Minister stated that the new Governments manifesto also considers the MSME sector as crucial for the development of the Country.

Mr. Cyril Pereira- Managing Director of Triune Exhibitors Pvt. Ltd. while expressing that in the wake of the successful prelude in New Delhi in 2008, the Exhibition has grown to be the largest show in the region. He also thanked all the Sponsors and one and all for their contribution to the success of AMTEX.

Mr. Cyril Pereira joined by Mr. Dan Londero - Regional President- International Sales Group of Reed Exhibitions announced the joint venture of Triune & Reed to bring international best practices in India through Trade Shows and conferences with participation of several European Countries and pavilions from Italy Germany etc.

AMTEX-2014 was well supported by NSIC(National Small Industries Corporation) demonstrating strength of Medium and Small Scale Industries of the country.

The visitor response for AMTEX-2014 was overpowering with a healthy attendance from sectors like Automobiles & Auto Components, Defence, Railways, Capital Goods and General Engineering Industries.

Prominent delegation visited were from Maruti Suzuki India Ltd, Hero Honda Motors Ltd., BHEL; New Delhi, SAIL, Escorts limited, Eicher motors Ltd., JCB India Ltd., Indian Institute of Technology; New Delhi.

AMTEX-2014 concluded on a positive note with most of the exhibitors suggesting that AMTEX should be made an annual event rather than continuing on its biennial format.
